

September 2008 -Mt. Rainier, Washington

25 Gulf Stream Council, BSA board members, Eagle Scouts and staff members donated \$2,080 in support of Steven McCraney's Climb the Mountain Campaign. Mr. McCraney climbed Mt. Rainer, located in west-central Washington.

“It was awesome that he chose to dedicate the climb to the Boy Scouts in the Gulf Stream Council! It added much needed support to the Scouts in our area”, said Nancy Gettys.

The Gulf Stream Council serves 7 counties in Southeast Florida with over 23,000 registered youth and 3,000 adult volunteers.
